

Course Registration & Program Planning Information for Students

Salisbury
UNIVERSITY

Registration Information

Click on any of the following to be directed to that section:

- [Registration Timeline](#)
- [Program Planning](#)
- [Course Enrollment Process](#)
 - [View Academic Requirements Report](#)
 - [Plan Courses for Next Semester](#)
 - [Find Your Enrollment Date](#)
 - [Meet with Your Faculty Mentor or Academic Advisor](#)
 - [Enroll in Courses](#)
 - [Check Your Academic Requirements Report Again](#)
- [Registration and Campus Resources](#)

Registration Timeline

- **Program Planning** – The period of the enrollment cycle when students meet with their Faculty Mentor or Academic Advisor prior to registering for classes during Pre-Registration. **All students must meet with their advisor in order to be activated for Pre-Registration.**
- **Pre-Registration** – The period of the enrollment cycle that immediately follows Program Planning. All current students, **who have met with their advisor** and been activated are eligible to register during their enrollment period (found in GullNet – see “[Enrollment Dates](#)” section).
- **Open Enrollment** – The period of the enrollment cycle when all current students can enroll in courses, regardless of having met with their advisor. Students must not have any holds on their accounts to register for classes.

Registration Timeline

Program Planning

Pre-Registration

Open Enrollment

Your student classification and enrollment date is set according to the amount of credits you have **EARNED**. The credits you are currently enrolled in this semester do not count toward your class standing.

Fall 2025 Pre-Registration: (ends April 11 @ 4 P.M.)

Special Populations: **March 25, 2025**

Seniors (earned credit - 90+): **March 26th, 2025**

Juniors (earned credit - 60-89): **March 31, 2025**

Sophomores (earned credit - 30-59): **April 2, 2025**

Freshmen (earned credit - 0-29): **April 7, 2025**

Click [HERE](#) or [HERE](#) for more information about Registration Dates.

Fall 2025 Open Enrollment 1: April 21 – September 1, 2025

Summer 2025 Enrollment (all students) appointments opens on March 25 @ 7AM

Program Planning

- **Program Planning** is a period of time when students meet with their Faculty Mentors or Academic Advisors prior to enrolling in the next semester's classes.
- All students **must** meet with their Faculty Mentors or Academic Advisors in order to be activated for enrollment/registration, otherwise students will need to wait until **Open Enrollment**, which is later in the semester or closer to the next term.
- Be sure to resolve any **Account Holds** on your account, because they could block you from being able to register.
(See the "Account Holds" section on the Registrar's Office [website](#) "Current Degree-Seeking Student Registration" dropdown menu.)
- More information can be found on the Academic Advising Center [website](#).

Program Planning

Reasons why it is important to **meet with your Faculty Mentor and/or Academic Advisor** during Program Planning:

- **Your account will be activated so you can enroll on your assigned enrollment date.**
- **You are more likely get the schedule YOU want.**
- **Classes have a lesser chance of getting cancelled.**
- **You have time to plan and prepare.**
- **Saves time and frustration.**
- **You'll get it out of the way.**

Remember, if you do not enroll on your registration date, you will have to wait until **Open Enrollment**, which is when all students can register, so you may not get the course(s) you want.

Course Enrollment Process

1. View your **Academic Requirements Report** (in [GullNet](#)) to identify appropriate courses for next semester.
2. Use a [Program Planning Worksheet](#) to plan courses for next semester.
3. Identify and **meet** with your Faculty Mentor or Academic Advisor (listed in [GullNet](#)).
4. Find your **enrollment date** in [GullNet](#).
5. Enroll in courses for the upcoming semester (use [Sea Gull Scheduler](#)).
6. Check your Academic Requirements Report again – Just to make sure the courses you enrolled in populate where expected.
7. Follow up with [campus resources](#) as needed.

1. View Academic Requirements Report

In GullNet, check your **Academic Requirements Report** by accessing the “Academic Record” icon and selecting “My Academic Requirements”.

Academic Requirements Report is a more accurate, more reliable version of the program’s checklist found in the [Academic Catalog](#).

You should look at this report **before and after** enrolling each semester to ensure you are enrolled in the correct courses.

A screenshot of the GullNet web application interface. The top navigation bar is dark red with a white back arrow and the text "SU Student". A left sidebar contains a list of menu items: "Academic Records Requests", "Request Enrollment Verification", "My Course History", "My Advisors", "View Transfer Credit Report", "My Academic Requirements" (highlighted with a yellow border), "View What-if Report", and "Apply for Graduation". The main content area has a white background with a search bar and tabs for "Search", "Plan", "Enroll", and "My Academics". Below the tabs, the page title is "My Academic Requirements". The user information is "Salisbury University | Undergraduate" and the report was "last generated on 09/20/2021 11:45AM". There are buttons for "Collapse All", "Expand All", "View Report as PDF", and "Substitution/Waive". A progress indicator shows "Taken" (green checkmark), "In Progress" (yellow diamond), and "Planned" (blue star). Below this are three expandable sections: "2017-2018 Undergraduate Catalog [G10291]", "Active Courses [G10589]", and "Undergraduate Overall [G10099]". A red warning message at the bottom states: "Not Satisfied: WARNING: In-progress courses (not yet graded) being taken as repeats for previously completed courses will artificially inflate the credit totals and may artificially inflate the GPA presented on this report and may incorrectly show some requirement areas as satisfied."

1. View Academic Requirements Report

Example of an Academic Requirements Report

▶ 2018-2019 Undergraduate Catalog [G10291]

▶ Active Courses [G10589]

▶ Undergraduate Overall [G10099]

▶ General Education Group 1 English and Literature [G2]

▶ General Education Group 2 History [G3]

▶ General Education Group 3 Humanities and Social Science [G4]

▶ General Education Group 4 Natural Science, Math and Computer Science [G10106]

▶ General Education Group 5 [G10473]

▼ Biology Major (BS) [G14]

Not Satisfied: Complete all major courses and requirements.

Biology Core and Electives [R36 L5-60]

Not Satisfied: Complete 44 hours of approved BIOL and ENVH courses with a minimum 2.0 GPA, including BIOL 210 with a grade of C or better, and 3 courses from BIOL 211, BIOL 212, BIOL 213 and BIOL 310 with grades of C or better, BIOL 350, BIOL 375, and BIOL 360 or BIOL 370. At least 24 hours of approved courses must be completed at the 300/400-level.

- Units: 44.00 required, 8.00 taken, 36.00 needed
- GPA: 2.000 required, 0.000 actual

- Requirement sections collapse when you enroll in the course.
- Currently enrolled courses are counted in the report because GullNet assumes you will be successful.
- Sections remain open when there are still requirements to be completed. This is also noted by displaying **“Not Satisfied”** by the requirement.

2. Plan Courses for Next Semester

- Use the [Program Planning Worksheet](#) to identify ideal courses – take this with you to, or have it available for, your Program Planning advising appointment with your Academic Advisor or Faculty Mentor.
- The worksheet can be found in the “[Tools](#)” section of the Academic Advising Center [website](#).
- Use [Sea Gull Scheduler](#) to explore course options and schedules.

2. Plan Courses for Next Semester

- Here is an example of what your [Program Planning Worksheet](#) may look like once you've explored options and filled it out.
- Be sure to list ideal courses, along with possible alternative courses, so it is ready to be reviewed by your Academic Advisor or Faculty Mentor.

Program Planning Worksheet

Name Sammie Seagull ID Number: 1234567
Phone Number 410-555-5555 Registering for Fall Spring Year 2022
Major(s) Biology Minor(s) Chemistry
Current Student Classification FR SO JR SR USB GRAD UGND

Subject	Course Number	Course Title	Credit Hours	Major Minor Elective

<u>ENGL</u>	<u>103</u>	<u>Research and Composition</u>	<u>4</u>	<u>Gen Ed</u>
<u>PSYC</u>	<u>101</u>	<u>General Psychology</u>	<u>4</u>	<u>Gen Ed</u>

2. Plan Courses for Next Semester

Things to remember:

- A typical schedule consists of **4-5 classes** per semester with **16 to 19 credit hour**, depending on the program.
- If you need assistance identifying appropriate courses, contact:
 - Faculty Mentor or Academic Advisor
 - Academic Advising Center (Blackwell Hall)
 - Chair of your program
 - A current professor or instructor

2. Plan Courses for Next Semester

To access Sea Gull Scheduler:

- In GullNet, click on the “Student Center” icon.
- Locate and click on the “Sea Gull Scheduler” box (should be close to your schedule).

The diagram illustrates the navigation process. On the left, a square icon labeled "Student Center" features a person silhouette and a gear. A large blue arrow points from this icon to a screenshot of the "SU Student" web interface. The screenshot shows a navigation menu with "Academics" expanded, listing "Search", "Plan", "Enroll", "My Academics", and "Sea Gull Scheduler" (which is highlighted with a yellow box). Below the menu is a search bar containing "other academic...". A second large blue arrow points from the "Sea Gull Scheduler" link to a text box that says "Click on the 'Sea Gull Scheduler' box:". In the bottom left corner, there is a dark blue button with the word "HOME" in white capital letters.

[HOME](#)

2. Plan Courses for Next Semester

- On the next page, click on the “Open Sea Gull Scheduler” box.
- Be sure to disable your pop-up blocker and leave this screen open.

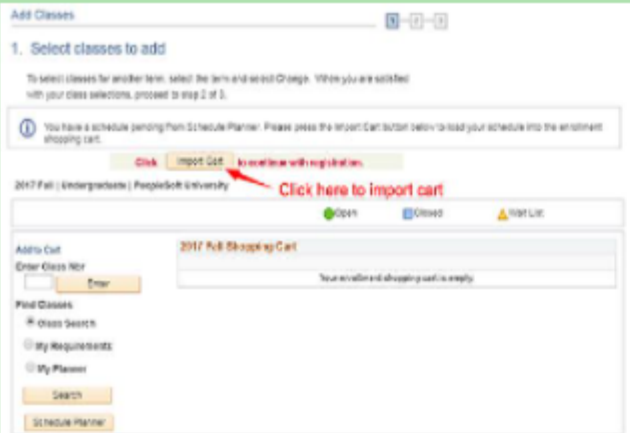

< SU_STUDENT_CENTER

Sea Gull Scheduler

i The Sea Gull Scheduler helps you plan your class schedule. You may need to disable the pop-up blocker of your internet browser to successfully launch the Sea Gull Scheduler.

Instructions:

1. **Open Sea Gull Scheduler** to open the Sea Gull Scheduler in a pop-up window.
2. Return to this window after clicking 'Send Schedule to Shopping Cart'
3. Visit the **COURSE ENROLLMENT** page from your Student Center to continue with course enrollment; click the 'Import Cart' button (see diagram).

The screenshot shows the 'Add Classes' section of the Sea Gull Scheduler. It includes a '1. Select classes to add' heading, a 'Click Import Cart to overview with registration.' button, and a '2017 Fall Shopping Cart' section. A red arrow points to the 'Click here to import cart' link. The interface also features a search bar, a 'Find Classes' section with radio buttons for 'Class Search', 'My Requirements', and 'My Planner', and a 'SCHEDULE PLANNER' button at the bottom.

2. Plan Courses for Next Semester

- Click on the desired term.
- Click on the “Save and Continue” button.

The screenshot shows the top navigation bar with links for Plan Schedule, Shopping Cart (0), Current Schedule (0), Help, and Sign out. The main content area features the Salisbury University logo and a 'Select Term' section. Two radio buttons are visible: 'Winter 2022' (unselected) and 'Spring 2022' (selected). A 'Save and Continue' button with a checkmark is located below the radio buttons. Two large blue arrows point to the 'Spring 2022' radio button and the 'Save and Continue' button.

2. Plan Courses for Next Semester

- Clicking on “+ Add Course” allows you to create a list of courses you wish to take during a specific term:

The screenshot shows the Salisbury University course planning interface. At the top, there is a navigation bar with links for "Plan Schedule", "Shopping Cart (0)", "Current Schedule (0)", "Help", and "Sign out". The main header features the Salisbury University logo. Below the logo, there are several filter options with "Change" buttons: "Course Status" (Open Classes Only), "Term" (Spring 2022), "Sessions" (All Sessions Selected), "Schools/Colleges" (All Schools/Colleges Selected), "Instruction Modes" (All Instruction Modes Selected), "Campuses" (All Campuses Selected), and "Locations" (1 of 8 Selected). A yellow instruction box states: "Instructions: Add desired courses and breaks and click Generate Schedules button!". The "Courses" section has a yellow box with the text "Add the courses you wish to take for the upcoming term." and a red "+ Add Course" button, which is highlighted with a yellow border and a large blue arrow pointing to it. The "Breaks" section has a red "+ Add Break" button, a "Select All" checkbox (checked), and a "No Evenings" checkbox (checked) with a sub-option "MTWThF - 5:00pm to 11:00pm" and an "Edit" button. The "Schedules" section has a "Generate Schedules" button, an "Advanced Options" button, and a "View Schedules" button. At the bottom right, there is a red "HOME" button.

2. Plan Courses for Next Semester

- Click on “Generate Schedules” to produce potential schedules.
- Be sure to list the courses on your **Program Planning Worksheet**.
- Additional information about how to enroll in classes using Sea Gull Schedule can be found by clicking [HERE](#).

Personal Information

4. Find & Meet with Your Faculty Mentor or Academic Advisor

- Be on the lookout for more information from your Faculty Mentor or Academic Advisor about how they want you to set up your Program Planning meeting.
- Could be via email, could be through the Navigate app, or could be some other means of scheduling.
- Yet, another reason why it is so important to check your SU email often.

5. Enroll in Courses

- Eligibility to enroll and the Enrollment Date is based on the number of hours you have **already completed** (does NOT include the current semester's hours).
- Your first possible date and time of enrollment can be found on your GullNet account (see [previous slide](#)).
- Be sure to check in GullNet if you have any [Holds](#) – some can block you from being able to register.
- “How to” videos about adding/dropping/swapping classes can be found on the Academic Advising website, or click [HERE](#).
- Additional information about enrolling in courses can be found on the Registrar's Office website, or click [HERE](#).

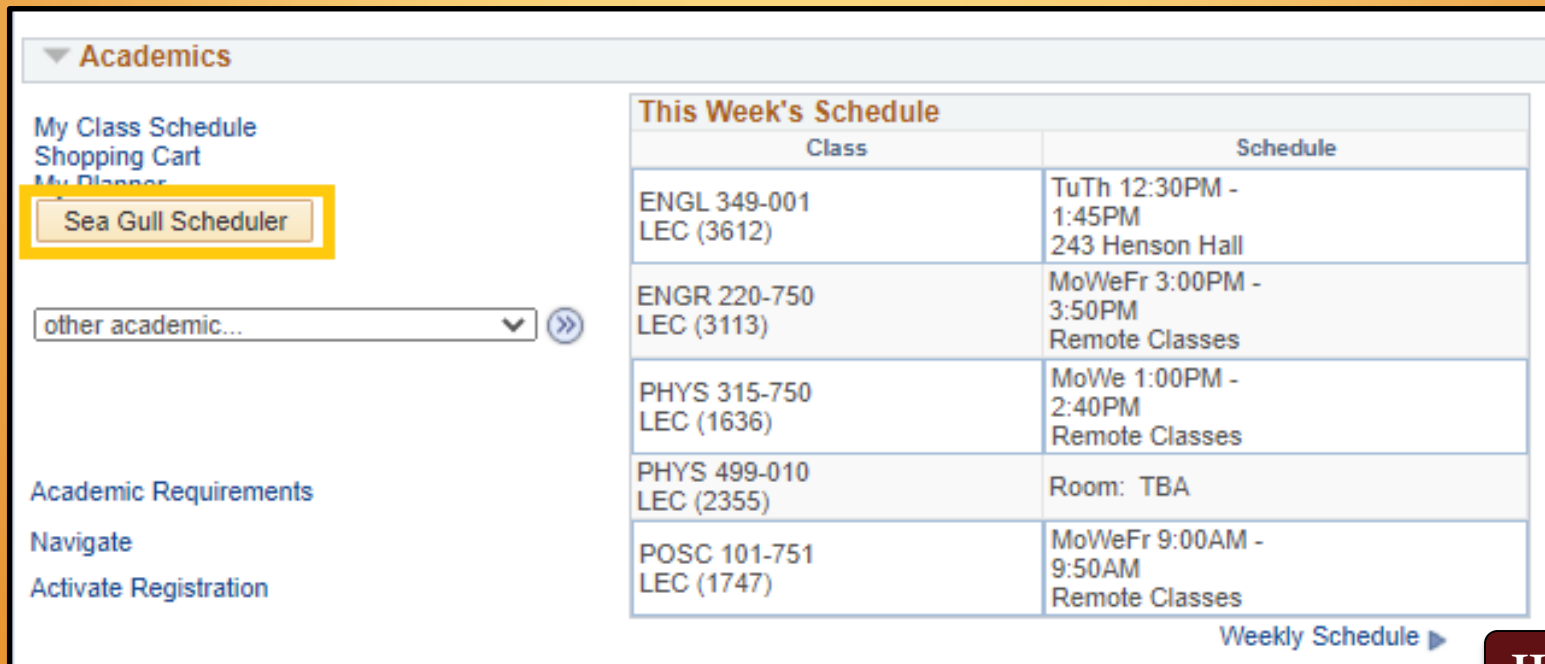

5. Enroll in Courses

Sea Gull Scheduler is a great tool that can help you identify available courses and build a schedule.

To access Sea Gull Scheduler:

- In GullNet, click on the “Student Center” icon.
- Locate and click on the “Sea Gull Scheduler” box (should be close to your schedule).

A screenshot of a web application interface. At the top left, there is a navigation menu under the heading "Academics". The menu items are "My Class Schedule", "Shopping Cart", "My Planner", "Sea Gull Scheduler" (which is highlighted with a yellow border), and "other academic..." (with a dropdown arrow and a double-right arrow icon). Below the menu, there are links for "Academic Requirements", "Navigate", and "Activate Registration". On the right side of the interface, there is a section titled "This Week's Schedule" which contains a table with two columns: "Class" and "Schedule". The table lists five courses with their respective schedules and locations. At the bottom right of the table, there is a link "Weekly Schedule" with a right-pointing arrow.

5. Enroll in Courses

Sea Gull Scheduler

- Click on the “Open Sea Gull Scheduler” box.
- *Tip:* Be sure to disable your pop-up blocker.
- *Another Tip:* Leave this tab open so you can access during a future step, if needed.
- *Additional Tip (because, hey, why not?):* Hang in there! You’re almost there! **YOU GOT THIS!**

< SU_STUDENT_CENTER Sea Gull Scheduler

New Window | Help | Personalize Page

Sea Gull Scheduler

i The Sea Gull Scheduler helps you plan your class schedule. You may need to disable the pop-up blocker of your internet browser to successfully launch the Sea Gull Scheduler.

Instructions:

1. **Open Sea Gull Scheduler** to open the Sea Gull Scheduler in a pop-up window.
2. Return to this window after clicking 'Send Schedule to Shopping Cart'
3. Visit the **COURSE ENROLLMENT** page from your Student Center to continue with course enrollment; click the 'Import Cart' button (see diagram).

Add Classes

1. Select classes to add

To select classes for another term, select the term and send Change. When you are satisfied with your class selections, proceed to step 2 of 3.

i You have a schedule pending from Schedule Planner. Please press the Import Cart button below to load your schedule into the enrollment shopping cart.

[Click Import Cart](#) to continue with registration.

5. Enroll in Courses

Sea Gull Scheduler

- Select the Term of which you want to build a schedule
- Click on the “Save and Continue” button

The screenshot displays the Sea Gull Scheduler interface. At the top, a dark red navigation bar contains links for 'Plan Schedule', 'Shopping Cart (0)', 'Current Schedule (0)', 'Help', and 'Sign out'. Below this is the Salisbury University logo. The main content area is titled 'Select Term' and features a list of terms: 'Winter 2022' and 'Spring 2022'. The 'Spring 2022' option is selected, indicated by a blue radio button and a large blue arrow pointing to it. Below the list is a dark red button labeled 'Save and Continue' with a white checkmark, also highlighted by a large blue arrow.

5. Enroll in Courses

Sea Gull Scheduler

- Clicking on “+ Add Course” box, which allows you to select and create a list of courses you wish to take during a specific term:

The screenshot displays the Sea Gull Scheduler interface. At the top, there is a navigation bar with links for Plan Schedule, Shopping Cart (0), Current Schedule (0), Help, and Sign out. The main header features the Salisbury University logo. Below the logo, there are several filter sections: Course Status (Open Classes Only), Term (Spring 2022), Sessions (All Sessions Selected), Schools/Colleges (All Schools/Colleges Selected), Instruction Modes (All Instruction Modes Selected), Campuses (All Campuses Selected), and Locations (1 of 8 Selected). A yellow instruction box states: "Instructions: Add desired courses and breaks and click Generate Schedules button!". The interface is divided into three main sections: Courses, Breaks, and Schedules. The "Courses" section has a "+ Add Course" button highlighted with a yellow box and a large blue arrow pointing to it. The "Breaks" section includes a "+ Add Break" button, a "Select All" checkbox, and a "No Evenings" checkbox with a time range of "MTWThF - 5:00pm to 11:00pm". The "Schedules" section has a "Generate Schedules" button, an "Advanced Options" button, and a "View Schedules" button.

5. Enroll in Courses

Sea Gull Scheduler

- Your first option in selecting courses is by SUBJECT in the drop-down box first, and then the specific COURSE.
- The course description will display, including any prerequisite courses and if the course satisfies an general education requirements.
- Click “+ Add Course” to add the course to your “Desired Courses” list.

Schedules

5. Enroll in Courses

Sea Gull Scheduler

- Click on the “View” link to see a calendar view of that available schedule

The screenshot displays the Sea Gull Scheduler interface. It is divided into three main sections: Courses, Breaks, and Schedules.

Courses: This section includes a '+ Add Course' button and a 'Select All' checkbox. Below are five course entries, each with a checked checkbox, course name, and three icons (gear, info, and a red X):

- Biology (BIOL) 211 MICROBIOLOGY
- Chemistry (CHEM) 221 ORGANIC CHEMISTRY I
- English (ENGL) 103 COMPOSITION AND RESEARCH
- Mathematics (MATH) 155 MOD STATISTICS WITH COMPUT (Topic: Non-Topic Sections)

Breaks: This section includes a '+ Add Break' button and a 'Select All' checkbox. Below is one break entry with a checked checkbox, name, time, and two icons (gear and a red X):

- WORK MTWThF - 8:00pm to 11:00pm

Schedules: This section features a 'Generate Schedules' button, a 'Shuffle' button, and a 'View Schedules' button. A green notification box states: "Looks like you have many scheduling options! Try using breaks, locks and course options to narrow your results. Generated 1000+ Schedules". Below this are three schedule entries, each with a 'View' link, a magnifying glass icon, a checkbox, and a list of course and break identifiers:

- 1 WORK, 211-Biology (BIOL)-020, 211-Biology (BIOL)-021, 221-Chemistry (CHEM)-520, 221-Chemistry (CHEM)-521, 103-English (ENGL)-001, 155-Mathematics (MATH)-018
- 2 WORK, 211-Biology (BIOL)-020, 211-Biology (BIOL)-021, 221-Chemistry (CHEM)-010, 221-Chemistry (CHEM)-013, 103-English (ENGL)-009, 155-Mathematics (MATH)-005
- 3 WORK, 211-Biology (BIOL)-020, 211-Biology (BIOL)-021, 221-Chemistry (CHEM)-010, 221-Chemistry (CHEM)-013, 103-English (ENGL)-011, 155-Mathematics (MATH)-005

5. Enroll in Courses

- Click on the arrow in the box in the upper-right to view additional schedules
- If there are too many schedules to choose from or a schedule within your parameters is not available, go back to “Courses” or “Breaks” and make adjustments.

5. Enroll in Courses

Sea Gull Scheduler

- Once Enrollment is open you will select your “Shopping Cart” tab at the top of your Sea Gull Scheduler Account. This will allow you to view your desired schedule and check if seats are still available in the courses you want to take.

The screenshot displays the Sea Gull Scheduler interface. At the top, there is a dark red navigation bar with three tabs: "Plan Schedule", "Shopping Cart (0)", and "Current Schedule (0)". The "Shopping Cart (0)" tab is highlighted with a yellow border. To the right of the navigation bar are links for "Help" and "Sign out". Below the navigation bar, the main content area is titled "Potential Schedule for Spring 2022". A large orange arrow points to the "Shopping Cart (0)" tab. Below the title, there is a row of buttons: "Back", "Print", "Email", "Validate", "Shopping Cart", and "Quick Enroll". To the right of these buttons are icons for a heart, a double arrow, and a refresh icon, followed by the text "Schedule 1 of 1000". At the bottom of the screenshot, there is a yellow notification box with the text "You are viewing a potential schedule only and you must still register." and a close button (X).

5. Enroll in Courses

Sea Gull Scheduler

- After you double check your schedule in your “Shopping Cart” you will then click “Register” in Sea Gull Scheduler to enroll into your courses.

- You will then want to go into GullNet and check your “My Academic Requirements” (Academic Record tile) and your “My Class Schedule” (Enrollment tile) to double check that you are officially enrolled in your courses.

Reminders:

- Students can register at their appointed time only if they’ve been activated by their advisor. Your Enrollment Appointment Information is available in your Student Center in GullNet.
- Be flexible with your schedule and consider course alternatives if needed.

5. Enroll in Courses

Changing your Schedule with Sea Gull Scheduler

- In your Student Center in GullNet, click on and follow the instructions to open Sea Gull Scheduler, be sure to disable your pop-up blocker and leave this tab open.
- Clicking on “+ Add Course” allows you to create a list of courses you wish to take during a specific term:

The screenshot displays the Sea Gull Scheduler interface. At the top, there is a navigation bar with links for "Plan Schedule", "Shopping Cart (0)", "Current Schedule (0)", "Help", and "Sign out". The main content area features the Salisbury University logo and a "Select Term" section. This section contains a table with two rows: "Winter 2022" and "Spring 2022". The "Spring 2022" row is selected, indicated by a blue radio button. A large blue arrow points to the "Spring 2022" radio button, and another large blue arrow points to the "Save and Continue" button. The "Save and Continue" button is a red button with a white checkmark and the text "Save and Continue". In the bottom right corner, there is a red button with the text "HOME".

Term
<input type="radio"/> Winter 2022
<input checked="" type="radio"/> Spring 2022

5. Enroll in Courses

Changing your Schedule with Sea Gull Scheduler

- Refer to the steps listed previously to search for and add potential courses.
- Once a schedule is chosen, click “Send to Shopping Cart” button from the schedule view. Your desired scheduled will be saved in your Sea Gull Scheduler Shopping Cart until you are able to Enroll for the semester.

Swapping Courses in Sea Gull Scheduler

- To make the “Swap” you will then need to go to your “Current Schedule” and select the “Swap” button.

5. Enroll in Courses

Swapping Courses in Sea Gull Scheduler

- You will need to select the course you want to “Swap” out of and use the “Shopping Cart” feature to pull the course you have already selected. Once you have selected your Options you will have to click the “Swap” button to confirm your change.

Swap a Class for

Select a class from current schedule to swap:

Search for a new class to swap with:

By Class # By Subject

Enter Class # to Swap:

- You will then want to go into GullNet and check your “My Academic Requirements” (Academic Record tile) and your “My Class Schedule” (Enrollment tile) to double check that you’re officially enrolled in your courses.

6. Check Academic Requirements Report

- Make sure the courses you enrolled in are reflected in your **Academic Requirements Report**.
- Newly enrolled courses will show as “In Progress” with a yellow diamond.
- Please note that the term reflected should be “Winter 2023” or “Spring 2023” depending on the semester you enrolled in the course.

▼ CHEM 122 [L12]

Satisfied: Complete CHEM 122.

Course Repeat Policy

Appendix F

Course Repeat Policy

The Repeat Policy was established to provide the appropriate academic support to students who have multiple course attempts within certain disciplines. Salisbury University's commitment to students' success includes ensuring the opportunity to complete an undergraduate degree within four years. However, the repetition of the same course often demonstrates the need for extra academic assistance to stay or get back on track. This Repeat Policy facilitates an enhanced level of intervention based on a students' needs that will help achieve their academic goals. This policy applies to all undergraduate courses offered in the Henson School of Science and Technology, effective academic year 2013-2014 and all undergraduate and graduate courses offered in the School of Health Sciences, effective academic year 2021-2022. (Note: other restrictions on course repeats may apply; check with specific academic programs for details).

Approved Courses and Grades

Students may repeat courses offered by the Henson School of Science and Technology and the School of Health Sciences one time at Salisbury University without special permission. These include courses with prefixes AHPH, ATTR, BIOL, CHEM, COSC, DSCI, ENGR, EXSC, FTWL, GEOG, GEOL, HLSC, HLTH, MATH, MDTC, PHYS, RESP and URPL for which the student earned any grade (B, C, D, F, PS, I, W, WP, WF, NGR or Audit). Note that grades of W, WF or WP earned by withdrawing from a class after the scheduled adjustment period (typically the first week of the semester for spring/fall and the first three days for summer/winter) are considered grades and are subject to this policy. Exceptions are those courses that may be repeated for credit (e.g., BIOL 490, CHEM 499). Also, some majors may limit students to a single repeat of specific courses (see requirements for your major).

See the [Appendix F](#) of the [Academic Catalog](#) for more information

Third Enrollment Approval Process

Students who wish to repeat a course a second time (third enrollment) must seek approval from the appropriate Dean's Office. For Henson courses, the [Henson School of Science and Technology Repeat Request form](#) must be submitted to the Henson School's advising services coordinator. For Health Sciences courses, the student must contact the College of Health and Human Services' Advising Services Coordinator to start the process. Completion of this process does not guarantee enrollment for a third time, as enrollment will depend upon a compelling plan for success and available seats in the course. Students will not be allowed to enroll in a course for a fourth time unless there are extenuating circumstances.

GPA Calculation

Please note that all grades appear on students' transcripts. For undergraduate courses, the grade from the most recent attempt at SU is used to calculate grade point averages, **even if that grade is lower than the first time the student took the course**. Students transferring credits from other institutions should be aware that these courses may complete degree requirements, but grades earned in these transferred courses will not be used in SU GPA calculations and do not replace any grade earned in the equivalent course at SU.
