

Center for Healthy Communities EXHIBITOR OPPORTUNITIES

Exhibitor Opportunities

The Center for Healthy Communities (CHC) endeavors to positively impact our community's health status through workforce development, grant activities, continuing education and service learning. Exhibiting at a CHC event is an excellent investment to gain visibility and support our community. All exhibitors receive one 6 ft. table, two chairs, exhibitor ribbon and listing in the conference program and event website.

Benefits of Exhibiting:

Network and Make Key Connections >

Interact with attendees inside the event space and make key connections while networking. This is a great opportunity to get exposure with leaders, decision-makers and experts in the field.

Increase Brand Awareness and Exposure >

Strengthen your brand visibility and promote your organization, goods and/or services to event participants. Reaffirm confidence and position your company as a champion in the health and human services industry.

Expand Your Customer Base >

Attendees are seeking solutions to problems they encounter on a regular basis. This means they are often ready to invest in a good solution on the spot. Build new leads and sales during and after the event.

Solidify Your Commitment to the Industry >

A continued significant presence in the field further establishes your entity as a prestigious resource, quality connection and community supporter.

Logo Instructions:

Submit vector files of your organization logo in EPS, PS, or PDF format to ensure its integrity to chc@salisbury.edu. All logos are due two weeks prior to the scheduled event.
