PRESENTERS

Shannon Bull

Shannon is a junior majoring in computer science and applied mathematics. She worked as an intern at NASA Wallops Flight Facility (WFF) in the fall 018 and spring of 2019. Her major responsibilities/tasks for this internship included developing a prototype for a new Mission Graphics system to be used by range safety officers at WFF during live rocket launches.

Will Maupin

Will is a senior majoring in computer science. He worked as an intern at Perdue Farms in Spring 2019. His major responsibilities/tasks for this internship included migrating company sites to a new platform, handling issues involved in this process, communicating with clients, performing additional assigned tasks and keeping detailed records.

Vincent Nigro

Vincent Nigro is a Senior majoring in Computer Science and a minor in mathematics. He worked as an intern at Omni Technology Professionals, Inc. in summer 2018. His major responsibilities/tasks for this internship included the development of software products for clients.
