MOTION (this section alone will be recorded in the minutes):

If any amendments are made to this report during the meeting of the Faculty Senate, the SU President shall receive only the final amended version, without visible changes.

JUSTIFICATION:

While the ad hoc committee members acknowledge that the report constitutes a summary of Faculty concerns which is by definition incomplete, it is important that the SU President receive this report in a timely manner before the special topics budget meeting on March 5<sup>th</sup>, 2024, so that she has time to address its content. Sending this report now does not preclude additional concerns being raised in the future.
