

Acting VPAA's Announcements to the Faculty Senate
October 28, 2025

First Monday is Back! We're excited to relaunch **First Monday**, a monthly message highlighting faculty achievements, upcoming opportunities, and important academic updates. If you have accomplishments, events, or other updates you'd like to spotlight, please email them to PROVOST@salisbury.edu by the last Monday of each month. Let's share the great work happening at SU!

Join me during **Open Office Hours** for informal conversations, questions, or just to say hello. These sessions are a chance to share ideas, raise concerns, or simply connect outside of formal meetings. I look forward to seeing you there!

Upcoming Dates:

- **Wednesday, November 12:** 11:30–12:30 PM Faculty Lounge GAC
- **Wednesday, November 19:** 10:00–11:00 AM Faculty Lounge GAC

Strategic Plan Working Groups: Our academic units continue to contribute meaningfully to our [strategic planning process](#). Thank you to those who have volunteered to be a participant in one of the five working groups. Want to get involved or share feedback? Please email strategicplan@salisbury.edu

Following up from previous discussions on the **fall calendar**, please note that future fall break dates can be found on the [SU Registrar's Academic Calendar page](#).
